Revolution TTC Summer League

Category : General League News

Published by John Alsop [\[Admin\]](#) on 30/03/17

This summer Revolution Table Tennis Club based at Lincroft School, Oakley will once again be running its popular summer league commencing 8th and 9th May allowing players to get in some match practice during the off season in a friendly social atmosphere. It also acts as a platform for junior players wishing to test themselves out to see whether they are ready to play in the senior league in the winter season (September-March). There will be at least two divisions operating on Monday or Tuesday evenings which will be graded according to standard. The higher standard division will take place on Monday evenings. Teams consist of two players playing two singles matches each and one doubles match making five matches in total. Matches start at 8pm (or earlier if both captains agree) and are generally finished by 9.30pm. Every team will play each other at least once. Trophies will be given for winners and runners-up in each division. If you wish to enter then please download and complete the entry form by clicking on this article's title. Please email the form to john@revolutionttc.co.uk or drop into the Revolution Club any Monday or Tuesday evening.
