The Cup handicaps for next week are now available either by clicking on this article's title or by clicking on the menu item on the left hand side. Any team wishing to play an unlisted player must contact the cup organiser at div1@bedfordttleague.co.uk first but entry will not be guaranteed; teams should play players who have already played in the League this season. Could all home team captains email the results to div1@bedfordttleague.co.uk and also to davethomas.tt@btinternet.com.
