Results have now been received for all Round 1 matches and can be accessed via the drop down menu on the left. Unfortunately three teams were unable to field teams and so their opponents were automatically put through to the second round of the Cup. The majority of matches that were played went right down to the wire and many of the results were determined in the final game.

Congratulations to the winners and good luck to all teams in the coming rounds, be it in the Cup or the Plate competition
