Your support is urgently needed for Elstow TTC's latest fundraising venture - The Beetle Drive. This hilarious game is being held at Clapham Village Hall on Friday 29th June 6.30 - 9.30 pm. Your host for the evening is our very own charismatic (or should that be asthmatic?) Mr David Fosbrook, ably assisted by the Debbie McGee of the Elstow Monday Over 60s Club, Mrs Maureen Cooper. This dynamic duo will ensure a good time is had by all and that beetles will be created with absolutely no skill required at all - the perfect antidote to table tennis. Your 7.00 ticket will get you a fish and chip supper and, of course, there is a bar. We are very keen to make this a success as we are trying to include people from the local Parkinson's exercise classes. Bring your family and friends for a novel night out. Tickets are available from Maureen and Liz. See them in person on Tuesday evenings at the Revolution TTC Summer League at Lincroft School, Oakley or contact Liz on 07786 100161.
